Position Title:
Interpretation and Education Intern

Position Summary:
The intern will communicate with the public and educational groups about the natural and cultural resources of Craters of the Moon National Monument and Preserve (CRMO), staff the visitor center and provide orientation and information about CRMO and the National Park Service including recreational opportunities and park regulations, and provide educational programs to students focusing on the significance of volcanic resources at CRMO. This will include leading guided cave walks and hikes, giving formal presentations, and roving trails. Training is provided to learn interpretive/educational techniques and methods. Time is also provided to research and compile the content for each interpretive and educational program with the help of a mentor and supervisor.

Duties and Responsibilities:
Specific activities include:
- Providing interpretative presentations.
- Leading guided tours.
- Staffing visitor center front desk.
- Researching and compiling content for educational programs.

Required Qualifications:
- Capable of hiking up to 5 miles at a time.
- Comfortable speaking to large groups of people.

Desired Qualifications:
- Students pursuing a degree in a natural science field are highly encouraged to apply.

Duty Location:
Duties are performed within the Craters of the Moon National Monument and Preserve.

Terms of Employment:
Intern will complete the 10 week program from March-June 2020 (exact start/ end dates dependent on availability and date of hire). The member will average 40 hours of labor per week, minus holidays.

Program Benefits:
The selected intern will receive a $560 weekly stipend dispersed on a monthly basis. The stipend is taxable. Interns are responsible for providing their own food. On-site housing is provided at no cost to the intern. All cooking and dining equipment provided. Laundry facility on-site. Applicants need to bring their own towels and bedding. Personal transportation needed to buy groceries, etc.
The member will not engage in any activities prohibited by Idaho Conservation Corps and the National Parks Service.
